## **DRESS OF COMPETITORS**

---

### **HI VIS RASH SHIRTS**

Surf Life Saving Queensland (SLSQ) is committed to ensuring all surf sports events are run at the highest standard whilst ensuring the safety of competitor's remains paramount at all times. With this in mind SLSQ will be implementing a policy requiring all competitors in ocean or open water-based surf lifesaving events held in Queensland to wear a high visibility lycra/rash top/singlet/stinger suit/buoyancy vest. In order to allow competitors sufficient time to acquire the clothing this policy will come into effect on September 22, 2012.

This policy applies to anyone who competes in a surf lifesaving ocean or open water-based event endorsed by SLSQ. This includes members from a club outside of Queensland or members of the public who compete in a Queensland based event. Events defined as surf lifesaving ocean-based events are defined in the surf sports manual. The vest must be worn in **all** ocean based events, with the exception of beach events, march past, first aid competition, reelman in Belt races (linesmen are not exempt). High Visibility vests must also be worn in all open water events conducted or endorsed by SLSQ. High visibility vest will not be required for pool based events.
